# OUR MISSION

Cecile's is a warm, safe, and nurturing home-like environment where our seniors enjoy an exceptional quality lifestyle. Our well-trained, friendly, and compassionate staff are committed to having our residents enjoy life, be respected, and maintain their dignity, privacy, and independence.

# OUR RESIDENTS

A home away from home, Cecile's provides 24-hour care with the activities and amenities of daily home-style living.

Our privately tailored service plans emphasize healthy living and support each resident in their journey whilst encouraging them to remain mobile and active for as long as possible.

## ABOUT US

Cecile's residential board & care is a place that feels like home with a caring support team. We offer a unique combination of personalized assistance, supportive services, health maintenance and compassionate care, ready to respond to and support the distinct needs of each resident.

Our well-appointed homes are tailored to provide a sense of warmth, comfort, and serenity.

## OUR TEAM

Our well-trained, experienced, and dedicated caregivers provide 24-hour care, able to support the abilities and changing needs of each resident. This enables us to accompany our residents on their journey to live their lives with peace and dignity.

## SERVICES & AMENITIES

Cecile's offers various stages of care, supportive services, and activities specifically customized for our residents who require help with the activities of daily living (ADL). These services include, among others, assistance with mealtimes, grooming, medication management, mobility, exercise, leisure, and other support.

We provide complementary transportation to and from appointments, as well as concierge services.
